

CLC Prayer Focus September to November 2021

Week 36 - Europe **September 1st - 5th**

Wednesday (1st) - Europe

CLC bookshops in Europe are usually busy in September. Summer holidays are over, children return to school and most people will be back at work - all depending on how the pandemic develops. Please pray that we can remain open and that many people will see the new titles and Bibles available. Almost all of our European countries have well-developed websites that continue to grow, thereby meeting the needs of people who cannot easily visit our bookshops. - Gary Chamberlin, Regional Director for Europe

Thursday (2nd) - Portugal

Please pray for the preparations for the Annual General Meeting of our Board, which will take place next month. Also pray for godly wisdom in all the decisions that will take place on that occasion. Thank you. - Carlos Cunha, Portugal

Friday (3rd) - Netherlands

We are thankful for our volunteers and employees who work every day for the glory of God as they serve our customers. By giving their time, they help to fulfil the mission of sharing the Gospel. Please pray especially for Corine Brijs, our manager, as this month she will have heart surgery. Pray for her protection and full recovery so she will soon be able to join the team again. - Bertus Keuter, Netherlands

The Weekend (4th - 5th) - France

Later this month, we will be relocating our bookshop in Marseille to a new (smaller and less expensive) place that is in a different district.

Please pray that our customers will easily find us at the new location and that we can have some new customers as well! Also, please pray for Bruno, the bookshop manager. The new address is 91 Boulevard Sakakini, Marseille. Merci! - Hervé Lessous, France

Week 37 - Asia **September 6th - 12th**

Monday (6th) - Thailand

At the time of writing, Thailand is not able to stop the spread of the new Delta strain of COVID-19, which is rapidly advancing throughout the country. Please pray that vaccines will become available for everyone and that despite the uncertain circumstances, CLC may continue and even thrive. Thank you and God bless you. - Amanda Intajuk, Thailand

Tuesday (7th) - Philippines

Sadly, our three Print-on-Demand printers lasted for less than a year, which meant that we did not get the return on investment from these machines. Now, we wish to acquire a heavy-duty machine that will be more suited to our printing demands. Please pray that the Lord will provide the needed funds so that we may go ahead with this project. - Romualdo Macinas, Philippines

Wednesday (8th) - Indonesia

Praise God for our loyal customers who continue to buy devotional books and Bibles, among other things. When we had to close the bookshop temporarily due to the government regulations regarding COVID-19, our customers continued to order from us via WhatsApp, and we are very thankful for this. - Donny Kairupan, Indonesia

Thursday (9th) - India

At the time of writing, we are very concerned about the third wave of COVID-19. Please pray for the hand of God to be upon our nation and also pray for increased economic development in our country. This month or next, we are planning to conduct special book sales in our book centre at the CMC Hospital Campus in Vellore. Please pray for all the arrangements. Thank you. - Justin Chellappan, India

Friday (10th) - Thailand

At the time of writing, we have a potential new buyer who is interested in purchasing the CLC building in Bangkok. Please pray for the entire process that it will be smooth and without any obstacles this time. We look forward to telling you that your prayers have been answered! Thank you so much! - Amanda Intajuk, Thailand

The Weekend (11th - 12th) - Philippines

CLC Davao is struggling in its sales because of the prolonged quarantine in that city. Please pray for God's direction as to whether or not we should continue our operations. We have received an offer from one of the big churches here in Baliwag Bulacan to open a bookshop in their building. We are considering it as a possibility once the majority of people have been vaccinated. - Romualdo Macinas, Philippines

Week 38 - Francophone Africa

September 13th - 19th

Monday (13th) - Benin

Please pray that we will have wisdom in strategies for how to increase our sales. Also pray that the Lord continues to protect our health and that He will protect all our international orders from the moment they leave the suppliers in Europe until they arrive at our bookshop in Cotonou. Thank you. - Emmanuel Ladeyo, Benin

Tuesday (14th) - Ivory Coast

We are so thankful to the Lord for His protection from COVID-19 and that despite the continuation of this pandemic, we have not had to close either of our two bookshops (Abidjan and Bouaké). In fact, we have been able to remain at the service of the Church in our country. Thank You, Lord. - Martine Foto, Ivory Coast

Wednesday (15th) - Ivory Coast

Since January this year, the new fiscal regulations appeared very threatening for our activity. However, by God's grace, we have been connected with helpful people in the tax department. As a result, we have been able to reconstitute our 'Declaration of Fiscal Existence' with all the benefits due to CLC! Glory be to God! - Martine Foto, Ivory Coast (Abidjan)

Thursday (16th) - Ivory Coast

Please pray that CLC Bouaké will be able to increase its sales. This is not easy to achieve because most people in Bouake belong to another faith and, for various reasons, the region is sometimes unstable. Please pray for our two staff, Marie and Barthélémy, that the Lord continues to give us grace and courage to do His work. - Marie Sekongo, Ivory Coast (Bouaké)

Friday (17th) - Burkina Faso

So far this year, we have been able to do book tables every month at various church services and events. Please pray for continued possibilities for the next months as this helps us to fulfil our mission statement while increasing our sales and making CLC's ministry known. We are grateful that even with these extra activities, such as those at conferences, the Lord has protected us from COVID-19. - Sami Luc Noufe, Burkina Faso

The Weekend (18th - 19th) - Burkina Faso

We are so thankful to the Lord for 30 years of CLC ministry in Burkina Faso where CLC first opened on August 2nd, 1991. Despite many difficulties, the ministry has survived thanks to the Lord's faithfulness and all those who have helped us, including the International Office and our francophone Africa colleagues. All glory be to God and thank you to each one.

- Sami Luc Noufe, Burkina Faso

Week 39 - International Office and Frankfurt Book Fair September 20th - 26th

Monday (20th) - International Office

The International Office trustees took the decision in January to sell our Sheffield property since such a large building was no longer needed and was time-consuming to manage. As I write, this process is being completed at an excellent price, and the Lord has provided a suitable office in a local church building that will now become the base of the International Office. - John Raby, Chair of International Office Trustees

Tuesday (21st) - International Council

Please pray for CLC's Virtual Council meetings, which will take place from September 21st - 23rd via Zoom. This will be Part 2 of the Virtual Council meetings that were held in April this year. Pray for all the delegates from various countries and from the International Office that they will have sufficient internet quality to be able to participate fully. - Gerardo Scalante, International Director

Wednesday (22nd) - International Council

Please pray for V. M. Abraham, from India, who is the daily devotional speaker at the Virtual Council. Pray that he will hear God's message for us at this time and that we will have ears to hear what God is saying to us. Thank you. - Gerardo Scalante, International Director

Thursday (23rd) - International Council

Often at the end of a conference - virtual or otherwise - it is easy to go away and get busy again, forgetting the blessings of the time together and the resolutions made before the Lord at that time. Please pray that we will be faithful in our follow-up and in

putting God's Word into practice in our daily lives. Pray, too, for success in the practical strategies relating to the vision for expansion in CLC worldwide over the next few years. Thank you. - Gerardo Scalante, International Director

Friday (24th) - International Office

One of the privileges of having responsibility for the International Office is seeing the number of gifts from CLC ministries and from outside CLC for the needs of the CLC Fellowship. Some large gifts were given in 2021 to meet needs arising from the pandemic and for Bible projects. We are very grateful to God and to those who give with such generosity. - John Raby, Chair of International Office Trustees

The Weekend (25th -26th) - Frankfurt Book Fair

It has been our hope and prayer that the Frankfurt Book Fair (scheduled for October 20th - 24th) will actually take place this year so that we can meet together with all our international partners. It's especially important that we and our Global Publishing Director can meet with the publisher representatives from the USA. - Hervé Lessous, France

Week 40 - The Caribbean September 27th - October 3rd

Monday (27th) - Dominica

At the time of writing, we are planning a September "Poetry Night" - an indoor event, especially featuring the Psalms in a large print edition. Through this and subsequent events, we hope to promote reading, especially of God's Word, and to build great customer relationships. - Tajya Winston, Dominica

Tuesday (28th) - Barbados

September to November: we are praying for continued protection during our hurricane season that lasts until the end of November. We have been warned that the ones this year may be bigger and more frequent, with large potential to cause major damage on our small Caribbean islands. - Marion Manning, Barbados

Wednesday (29th) - Barbados

We need wisdom to know how and what to order so as to maximise sales towards the end of the year. Our island's economy has been hit very hard in recent months in so many ways, meaning that available finance (personal and collective) has become very limited. We truly need to finish the year well. - Marion Manning, Barbados

Thursday (30th) - Antigua

As we enter the new academic year, let us keep our children in prayer. Pray for safety for the children and teachers here. Also, we ask that we will be able to acquire all the needed stock items to assist them in school, especially Bibles, hymnals, dictionaries and books of Bible stories for the younger ones. May everything arrive safely and on time with a smooth clearance from customs. - Arah Martin, Antigua

Friday (1st) - Antigua

We are heading into our busiest season and are therefore placing large orders for Christmas. Please pray for wisdom in our spending so that we will have the right stock

in the correct quantities. Our cash flow is limited, so we also ask for prayer for favour with our suppliers. - Arah Martin, Antigua

The Weekend (2nd - 3rd) – Dominica

This month, we hope to start a 15-minute radio programme called “The Focus” where I will give encouragement and motivation from the Word of God. The programme is expected to also build awareness of the CLC ministry and bookshop and help believers to take a stand for righteousness in our nation. Thank you for praying for this. - Tajya Winston, Dominica

Week 41 - Latin America

October 4th - 10th

Monday (4th) - Chile

Please pray for the political situation in Chile. A Constituent Assembly, elected by national vote, has begun drafting a new Constitution to guide the political future of the country. This process could last for more than a year and may lead to variations in the political, economic and social spheres during this time. We ask for prayer that the Lord takes control during this process. - Patricio Romo, Chile

Tuesday (5th) - Colombia

As we celebrate the Month of the Bible, we give thanks to God for the blessing of having the Scriptures in our language, and we pray that we can continually discover better distribution practices for them. We also ask you to pray for the work of our Social Foundation, through which we are able to help children with cancer as well as some indigenous communities and those who are in prison. Gracias! - David Pabón, Colombia

Wednesday (6th) - Ecuador

During the month of September, we joyfully prepare to bless the church with special discounts as it is the Month of the Bible. Please join us in praying that this month we will have excellent sales, both in our physical bookshops and especially through our online shop. Thank you. - Mónica Rojas, Ecuador

Thursday (7th) - Mexico

First of all, we want to thank the Lord for the relocation of our bookshop and distribution centre. Our customers have told us that they feel more comfortable here and also we see that there is more of a customer flow. We are praying for the Lord to increase our sales so that we can pay all our suppliers on time, unlike last year when we were unable to do so. - Maria del Carmen Castañeda, Mexico

Friday (8th) - Uruguay

We thank God for His faithfulness because in the midst of the COVID-19 crisis, we have seen His hand. Last month, we held our Annual General Assembly meeting in which new people were appointed to specific positions for the next few years. Please pray that each one will fulfil their role to the best of their ability and to God's glory. - Albaro Silva, Uruguay

The Weekend (9th - 10th) - Uruguay

We are working to place new supplier orders in October and November. Please pray that God gives us wisdom for this and that all the books and Bibles will arrive in Uruguay without any problems. - Albaro Silva, Uruguay

Week 42 - Publishing & Digital

October 11th - 17th

Monday (11th) - Publishing

During the pandemic, many CLC countries partially paused their publishing projects. Now, over 20 CLC countries are publishing many new titles in at least 23 countries across the globe. We want to have these books available for the Christmas period. Our CLC titles are usually greatly appreciated and make great gifts that impact people's lives! - Gary Chamberlin, Global Publishing Director

Tuesday (12th) - Publishing

Please pray for our teams as they send their new titles and reprints to the printers. Pray that they will be able to adequately distribute their books and Bibles (including children's Bibles in many languages) to other bookshops of various kinds. Many customers have discovered our life-changing books as we distribute through many websites across the globe, including Amazon, Ebay, Mercadolibre, Shopee, Lazda, Jumia and others. - Gary Chamberlin, Global Publishing Director

Wednesday (13th) - South Korea

Praise God for three titles* by Jessica Yoon that have ranked in the Top 1-3 list in Religious and Christian categories from the major online and offline bookstores in Korea. We are on our fourth reprint! Christian YouTubers and bloggers here are talking about these books, and the Christian New Book News magazine in Korea used the books for their cover of the July issue. - Sohee Yoo, Executive Director Planning & Foreign Rights for CLC Korea

* *The Concealed Garden, The Concealed Fountain and The Concealed Spring.*

Thursday (14th) - South Korea

We have recently published Korean translations of Anger by Dr Gary Chapman and The Church in Babylon by Dr. Erwin W. Lutzer. Both have become very popular with readers here, resulting in a book interview with the authors. Since the interview subtitles were in Korean, many people watched via CLC Korea's YouTube channel. As a result, we plan to have more book interviews with authors later on. - Sohee Yoo, Executive Director Planning & Foreign Rights for CLC Korea

Friday (15th) - Indonesia

Although it takes time for us to engage in digital marketing, we are continuing to upload our books on two digital platforms (digital stores): Shopee and Tokopedia. Please pray that we can succeed in putting all our books and Bibles on these two platforms. Thank you very much. - Donny Kairupan, Indonesia

The Weekend (16th - 17th) - International Office

The trustees ask for prayer for those who work behind the scenes in Sheffield. Cristi Cotovan works on website development and digital issues (supported by a team in

different parts of the world), Neil Wardrope manages CLC Digital and deals with a host of administrative issues in addition to his main role in CLC UK and Nick Lugg looks after the finances on a day-to-day basis. - John Raby, Chair of International Office Trustees

Week 43 - Europe

October 18th - 24th

Monday (18th) - Netherlands

In October, a new Bible translation from the Dutch Bible Society will be launched (a revision of the 2004 translation). We hope to sell many of these new Bibles and cover the losses we made in the first quarter of this year. During the launch, a lot of publicity and activity will be generated, so please pray that this will be a blessing for our country and for our bookshop. - Bertus Keuter, Netherlands

Tuesday (19th) - Cyprus

Here in Cyprus, many refugees arrive from nearby Muslim countries seeking asylum. Some organisations and churches are taking the opportunity to either help or distribute literature, particularly New Testaments. This means that we have an increased demand for Bibles and New Testaments. Please pray that many lives will be touched by the Lord through these efforts. - Sotos & Eva Photiades, Cyprus

Wednesday (20th) - CA2

We received many free workbooks and textbooks from one of the English language schools here. Please pray that we may find the customers for these books. Also, please pray for our sales for the rest of this year and that God will give us wisdom so that we may go forward in having new ideas for promoting our bookstore and website. - National Director, Central Asia 2

Thursday (21st) - United Kingdom

Please pray for our resource centre, "Equip", based at the Kings Church in Aberdeen. It is part of our wider strategy of "Equipping the Church". Pray for Grant Brown and his team of volunteers as they make resources available more widely across Scotland, thereby aligning with the vision of Kings Church, who has purchased a former convention centre as a future resource for the church nationwide. - Neil Wardrope, KCLCT

Friday (22nd) - Belarus

Praise God that Denis joined our team as an answer to our long-term prayers. We are thankful for his modern outlook and believe that he will be able to involve the younger generation in the CLC Belarus ministry. Denis loves books and already has experience in running church bookstalls. He will be responsible for the publishing project and also for communications. - Lina Pinkevich, Belarus

The Weekend (23rd - 24th) - Belarus

We are planning to do a serious remodel and refurbishment of the bookshop before Christmas. At the same time and according to law, we must install a new fire safety system before the middle of December. It is estimated that the new system will cost US\$1,000. We would prefer to invest such an amount in the publishing of new books! - Lina Pinkevich, Belarus

Week 45 - North America & the Caribbean

November 1st- 7th

Monday (1st) - Antigua

On this date in 1961, CLC was welcomed in Antigua! We praise God for 60 years of His blessings and 60 years of ministry service to our community as CLC has reached out, both to encourage saints and to lead people to Christ. We would love to celebrate with our customers, and we trust God to provide the means for this as we make plans to share His blessings. - Arah Martin, Antigua

Tuesday (2nd) - The Caribbean

CLC has bookshops on the islands of Antigua, Barbados, Dominica, and Trinidad and Tobago. All were severely impacted by the pandemic, with local economies deeply affected by the lack of tourism. Pray that cruise ships may safely stop in the ports again, thereby reviving the economies. This will enable local believers to have work and to purchase books and Bibles once more. - Gary Chamberlin, Interim Regional Director for North America & the Caribbean

Wednesday (3rd) - North America & the Caribbean

Please pray for our dedicated teams who have made great sacrifices to keep our shops open during the past “dry” months. Thursday (4th) - Dominica

This month, we hope to hold a book fair/family entertainment day. It will take place outdoors and is expected to encourage reading and Christian family life. We need to have lots of books for children, youth and adults, and also toys and fun activities. Please pray that we will receive some good donations and have enough financial and volunteer support for this event. Thank you. - Tajya Wilson, Dominica

Friday (5th) - United States

We have the desire to print a CLC edition of the Haitian Bible in both economy and large print editions. Please pray that we can overcome difficulties in communication with the Haitian Bible Society, who is the copyright holder, so that we may arrange an agreement with them. The Haitian Bible is our best-selling foreign-language Bible, and we would like to be able to offer a wider range of editions. - Charles Hurd, USA

The Weekend (6th - 7th) - United States

Please pray with us about the possibility of obtaining our own Print-on-Demand (POD) system. We publish many titles that we want to keep in print, but inventory costs keep rising. We are currently investigating costs for this POD system, and we need God’s wisdom and direction. - Charles Hurd, USA

Week 46 - Latin America

Wednesday (10th) - Uruguay

Please pray that many customers will visit us between now and the end of the year. Thank you for your prayers. - Albaro Silva, Uruguay

Thursday (11th) - Ecuador

We thank the Lord for the team that He has provided for us in Ecuador, and we ask for prayer for each one of them. This year we read the book Leap of Faith (which recounts the history of CLC) as most of our workers had not yet done so. We are happy because the response to the book has been good. It is very gratifying to see how the team members are identifying with the ministry. - Mónica Rojas, Ecuador

The Weekend (13th - 14th) - Ecuador

Many students take the route where we are located. Pray that we will have the boldness to talk about Christ to those visiting the book table. Thank you. - Alfred Kaikai, Sierra Leone

Tuesday (16th) - Sierra Leone

At the time of writing, churches are unable to meet due to the spike in the third wave of COVID-19 in Sierra Leone. The closure of the churches has led to a drastic decline in sales in our bookshops. This year we have started the use of QuickBooks to record our accounts and inventory. Thank you. - Liz Patten, Regional Director for Africa

Please pray that we can quickly become known and for Isaque Uarrila, the student who is working in the bookshop. - Liz Patten, Regional Director for Africa

Friday (19th) - United Kingdom

The Mission Worship Conference will be held this month, November 19th – 21st. At the time of writing, we have not decided if this will be a physical event or online, as in 2020. For more information, see missionworship.com. - Neil Wardrope, KCLCT

The Weekend (20th - 21st) - United Kingdom

Please pray for the mission impact of Kingsway CLC Trust beyond the UK. Week 48- Europe & North America

November 22nd - 30th

Monday (22nd) - France

For 30 years, CLC has been present at the Paris Evangelical Centre for a gathering of various bookshops, missions, ministries and churches. In 2020, the event could only take place online. This year (November 22nd and 23rd), it will be online and in person. Let us pray that many pastors can be present. Due to circumstances, the CLC stand will be smaller than in previous years. - Hervé Lessous, France

Tuesday (23rd) - Portugal

Please pray for good sales and more awareness of our mission at CLC's virtual book table at Global Leadership Summit Portugal (November 19th and 20th). The Weekend (27th - 28th) - United States

We thank the Lord for a new distribution partnership we have established to help with God's Kingdom work through our warehousing and fulfilment service. This brings in additional funds for the ministry of CLC while, at the same time, saving money for the partnership organisation! Praise God! - Charles Hurd, USA

Monday (29th) - Worldwide

As we reach the end of November, the focus of most of our bookshops (both physical and online) turns to the Advent season. Please pray that CLC's Advent resources may have a wide distribution and help many, both individually and in small groups as well as churches, to spiritually prepare their hearts for next month's Christmas celebrations.

Tuesday (30th) - Worldwide

In the month of December, our National Directors and bookshop managers will all be very busy with customers, although we know that last year things were not the same as usual. Please pray for the launching of our December strategies to help encourage the public to remember that even (or especially) in the midst of the pandemic times, Jesus is still the Reason for the Season.
